Inter-Professional Clinical Trauma Rounds

Educationally cosponsored by Dalhousie University Continuing Professional Development

Tuesday, February 4th, 2020 1700-1800, QEII HSC, RBC Theatre, HI Site

“Journey through the Nova Scotia Trauma System- A Multidisciplinary Trauma Case Presentation”

Presenters: Dr. Husain Al-Mubarak, Dr. Shawn Brophy, Dr. Patrick Fok, Dr. Danny French, Dr. Eric Huyen, Dr. Cyprian Koziac, Dr. Osama Loubani, TBD.

Learning Objectives:

1. Learn about the challenges of managing a severe trauma outside of the QEII.
2. Learn about the decision making process in the transport of the trauma patient.
3. To gain insight into the challenges presented to various disciplines in the management of a multi-system trauma patient.

This one-credit-per-hour Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by the Continuing Professional Development Office of Dalhousie University for up to **1.0** Mainpro+ credits.

As an accredited provider, Dalhousie University, CPD, designates this continuing professional development activity for up to **1.0** credit hours as an accredited group learning Section 1 activity as defined by the Maintenance of Certification Program of the Royal College of physicians and Surgeons of Canada.

“In keeping with CMA Guidelines, program content and selection of speakers are the responsibility of the planning committee. Support is directed toward the costs of the course and not to individual speakers through an unrestricted educational grant.”
